DATE: May 14, 2008

Below is a listing of new/revised policies and policy related updates. As policies and procedures and/or forms and other documents are revised, please ensure they are reviewed with applicable COA documentation to ensure accuracy of information. Some policy numbers or titles may have changed depending on integration within other policies, deletion of policies, etc. Applicable COA, ACA and other applicable standards will be listed in the "Standards" section of the policy indicating the policy has been revised to comply with Standards as applicable.

New and revised policies should also be reviewed as required by DCS Policy <u>1.3, Communication, Information Sharing and Work Site Meetings,</u> Section C.

If there are questions or if other information needed, please contact the Policy Development staff in the Policy, Planning and Performance Management Division.

<u>Please note:</u> Policies and forms are linked on this list for ease of access. If links do not work properly, please go to the policies or forms web pages to access documents.

*These policies have been revised to update into new document format; update employee titles (i.e., from "Assistant Commissioner" to Executive Director", etc. and other DCS titles as necessary); obtain the current commissioner's signature (i.e., we have several policies with former Commissioner's approval signatures, etc.); update applicable TCA Codes; DCS best practice, COA, ACA standards and forms, and add purpose statement.
